

**By implementing an Environmental Management system, Devon Wildlife Trust commits to the following pledges for 2018/19**

1. Reduce total fleet vehicle emissions to below 38 tonnes CO2

2. Reduce the total emissions from personal vehicle use to below 17 tonnes CO2

3. Reduce energy used in all DWT buildings by 10% on 2017 amounts

4. Reduce energy used at Woodah Farm, Cookworthy Forest centre and DBRC to the 2016 amounts or lower

5. All suppliers of goods to Seaton Jurassic to be registered and approved for use

6. Position statement on Palm Oil to be agreed

7. Full audit of single use plastics carried out across DWT with a view to implementing reduction targets
