Bellever Moor and Meadows is one of many beautiful places looked after by Devon Wildlife Trust

Wildlife to watch for

On warm spring days, look for lizards and other reptiles basking in small clearings or listen for the call of the elusive cuckoo. Orchids flower in the summer grass and the quick, fierce stoat hunts along traditional stone walls. There is something to hear and see all year round at Bellever Moor and Meadows.

How to find Bellever Moor and Meadows nature reserve

At Postbridge, on the B3212 Yelverton to Moretonhampstead Road, take the turning signed for Bellever. After a mile you will enter the village, turn left at the triangle of grass, after 130m you will see the entrance to the Forestry Commission car park.

About us

We are a charity and rely on your support – through membership, donations and gifts in Wills – to care for places like this.
