Discover the butterflies and birds of Teigngrace Meadow. Climb the hill to unveil wonderful views across South Devon.

Wildlife to watch for

Enter Teigngrace Meadow and you'll be stepping into a landscape created from the excavations of local clay mining. In summer, it is home to green-winged orchids and butterflies,

Marbled white butterfly

including meadow browns and marbled whites. In winter, kestrels hunt for voles across the nature reserve's meadow and steep hillsides.
