

Wildlife Challenge

Are you aged 4 -12 and in a school in Exeter or does your child attend a school in Exeter? Devon Wildlife Trust are sending out a new wild challenge every week during lockdown for Exeter school pupils to undertake! Whether you are learning at home or from school - you can have a go!

This week the theme is all about

Plants

Spring is coming and the flowers are starting to pop up...

The CHALLENGE

4 - 7 year olds: Draw a flower/plant that you like or might have seen on a walk or in the garden

8 - 12 year olds: Draw a flower/plant that you like or might have seen on a walk or in the garden, and write why you think they are good for wildlife.

You can check out our **Wild Learning at Home page** here for more resources on plants as well as other nature inspired learning and activities.
<https://www.devonwildlifetrust.org/discover-wildlife/exploring-nature-home>

The chosen winning pupil(s) will receive an FSC identification guide on Hedgerow wildlife. There will be one prize for each of the two age categories:

(4 -7 years and 8 -12 years).

To participate all you have to do is take a picture of the work, with the student's first name, age and school and send it to Emily from the Education Team on ebacon@devonwildlifetrust.org

by the **deadline** of Monday 1st March - we will be in touch with the winners afterwards.
