

# Devon Wildlife Trust

**Mincinglake Valley Park**  
one of many beautiful places  
looked after by Devon Wildlife Trust

## Fox

Foxes are regularly seen here  
— especially at dawn and dusk

## Harvest mouse

Harvest mice rear their  
young in nests hidden  
in the undergrowth

**Mincinglake Valley Park's  
green space is shared by  
people and wildlife.**

## Map of Mincinglake Valley Park

### Bullfinch

In spring, look out for  
bullfinches as they  
feed on the blossom  
of fruit trees

### Key

- Main entrances
- Interpretation panel
- Green Circle/main path
- Other paths
- Park boundary
- Mincinglake Valley Park (managed by Devon Wildlife Trust)
- Stream
- Other public/private green space
- Trees, hedgerows, etc.
- Footbridge
- Orchard
- P Car park
- B Bus stop

Exploring Mincinglake will take  
between 45-60 minutes. You can extend  
your visit by joining the 'Green Circle'  
walk which runs through the heart of  
the Valley Park.

Mincinglake is a patchwork of  
woodland, ponds, hedges and grassy  
meadows. It's an excellent place to  
see and hear a range of urban birds  
including song thrushes, tawny owls  
and jays. In summer, butterflies  
including meadow browns and  
marbled whites feed upon the Valley  
Park's wildflowers.

Riverside is one of six Valley Parks in  
Exeter. Begin to explore the others at  
[devonwildlifetrust.org](http://devonwildlifetrust.org)

### Visiting Mincinglake Valley Park

Mincinglake Valley Park lies a mile to  
the north-west of Exeter city centre.  
Main entrances to the Valley Park can  
be found via:

- Calthorpe Road
- Stoke Hill

The Valley Park has bike racks (both  
entrances), car parks (both entrances)  
and a bus stop (Calthorpe Road  
entrance) close by.

See [devonwildlifetrust.org](http://devonwildlifetrust.org) for  
more details.

### About us

We are a charity and rely on your support –  
through membership, donations and gifts in Wills  
– to care for places like this.
